#### RENEWED PETITION TO ACCEPT UNINTENTIONALLY DELAYED PAYMENT OF MAINTENANCE FEE IN AN EXPIRED PATENT (37 CFR 1.378(c))

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Dear Commissioner:

This Renewed Petition is being submitted in response to a letter mailed March 26, 2012 in the above US patent. In the letter, the Petitions Examiner dismissed Applicant's Petition of October 24, 2011 for not including a Statement of Ownership under 37 CFR 3.73(b).

Applicant herein presents a Renewed Petition and provides a Statement of Ownership under 37 CFR 3.73(b) as requested. The representative of Otago Innovation Limited who signed both the Statement of Ownership and the original Petition is Mr. Garth Hendry. A true copy of the Statement is included herewith as Appendix 1. The Statement of Ownership is signed by a representative of patent owner and Applicant, Otago Innovation Limited, and includes USPTO form SB/96 and a Continuation Page to provide information relating to assignments that, when considered together, form a complete chain of title from the original inventors through to the patent owner and Applicant, Otago Innovation Limited.

Applicant also includes in Appendix 2, a true copy of the original Petition filed October 24. 2011, including Transmittal Form, Fee Transmittal, Power of Attorney, Petition to Accept Unintentionally Delayed Payment of Maintenance Fee, Facsimile Cover Sheet, Facsimile Cover Sheet indicating successful transmission, and Auto-Reply from the USPTO indicating receipt of the Petition

and associated documents.

Applicant's representative thanks the Petitions Examiner for treating the Petition as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. Applicant herein respectfully confirms that based on reasonable inquiry, the person who signed the original Petition had firsthand and direct knowledge of the facts and circumstances of the delay at issue.

The original Petition included a Power of Attorney from Applicant to the undersigned, which was granted in a Notice mailed November 14, 2011. Applicant therefore believes that the undersigned is authorized to submit this Renewed Petition. Please direct all papers and inquiries to Applicant's representative using the address/telephone/facsimile/email provided below.

Based on the combination of documents submitted herewith, Applicant believes that the Renewed Petition is in condition for grant, and respectfully requests the Petitions Examiner to grant the Renewed Petition and to reinstate U.S. Patent No. 6, 541,008.

Applicant notes that the Maintenance Fee of \$1,425.00 and Petition Fee were (total \$1,640.00) was deducted from Deposit Account No. 50-4089, and believes that no additional fee is due. However, if any fee is due, the Commissioner is authorized to deduct any required fee from Deposit Account No. 50-4089.

If the Petitions Examiner believes that a telephone conversation with the undersigned would assist in moving this process forward, such a telephone conversation is cordially invited.

Dated: April 11, 2012

Respectfully submitted,

By:

D. Benjamin Borson, Ph.D.

#### Privacy Act Statement

The Privacy Act of 1974 (P.L. 93-579) requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.

A record from this system of records may be disclosed, as a routine-use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to

opposing counsel in the course of settlement negotiations.

A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.

A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).

A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the

World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to

the Atomic Energy Act (42 U.S.C. 218(c)).

A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (i.e., GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.

A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.

A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential

violation of law or regulation.
